**Username Policy:**

In order to ensure data security, those clients receiving usernames and accessing your individual website provided to you by AVS Underwriting, LLC (AVS) will adhere to the following methods of operation:

1. Username and passwords will not be revealed by the client to any other entities.
2. No one will use any username and password other than the one issued to him/her.

**Violation of this policy will result in immediate termination of the person's username.**

Please list the first and last name of those people who are authorized website users and list an email address to receive email notifications. All authorized users must have a valid email address. If you would like for an email address to be CC on all notifications from AVS, please make note of this. Any email account that you designate will continue to receive notifications unless the Help Desk is notified:
